**Scripture Union NSW has been involved in schools since 1935, and is a coordinator of Christian Voluntary Lunchtime groups in NSW public schools.**

These groups, known as ISCF groups in secondary schools and SUPA clubs in primary schools, exist to give Christian students the opportunity to grow in their understanding of Christianity, and to allow other students who may be interested in knowing more about Christianity the chance to explore their questions in an informal setting.

Scripture Union NSW takes seriously the need for you as parents to be fully informed concerning the activities of these groups before granting permission for your child to attend.
