

MINISTRY	Camel Riding Camp	LOCATION	Oasis Beach Campsite	DATE	29/9/23 - 2/10/23
-----------------	-------------------	-----------------	----------------------	-------------	-------------------

Risk Management IS About

- Ensuring safety
- Balancing benefits and risks with a focus on reducing real risks
- Raising awareness of risks and managing them responsibly
- Enabling individuals to understand that as well as the right to protection they also have to exercise responsibility

Risk Management IS NOT About

- Creating a totally risk free environment
- Creating piles of paperwork
- Stopping ministry or activities where the risks are managed

**In case of emergency call 000 and notify the Emergency Response Team
by text on 0483 900 140 or by phone on 02 9638 9099.**

Showers

Boys Toilets/
Showers

Cabin
3 x bunks
= 6 beds

Likelihood	Description	Likelihood					Risk Matrix	Rating
		A	B	C	D	E		
A-Common	Can be expected to occur with some frequency; a repeating event; not a surprise when it happens							
B-Possible	Known to happen or has happened; might occur a handful of times in your experience							
C-Unlikely	Could happen; heard of it happening; occurs somewhere from time to time							
D-Rare	Highly unexpected; not likely; have heard of happening somewhere once							
E-Very Rare	Theoretically possible but incredibly unlikely							
Consequence	Description	Consequence						
1-Severe	Fatality; multiple fatalities; massive; organisational implications	1	2	4	7	11	High	1-8
2-Major	Important consequences; major injury or disability	3	5	8	12	16	Med	9-15
3-Moderate	Some impacts of significance; medical assistance required	6	9	13	17	20	Low	16-20
4-Minor	Small scale effects easily remedied; first aid required	10	14	18	21	23	Very	21-25
5-Negligible	Barely perceptible impacts; very minor or no injury	15	19	22	24	25	Low
